

Ref. No. _____

Date _____
Date: 11-07-2024**Institution Industry Cell**

The Industry Institute Cell was organized in the year 2024, as continuous interaction between academia and industry which is the need of the hour. It provides a platform for both the students as well as faculty members to be aware of industry expectations of skill sets required for students.

It aims to bridge the gap between the institute and the industry and offer real time exposure on projects and other developments.

8. To promote participation of industry personnel in the development of curricula and high quality student projects
9. To provide technical training to lower and middle level industry personnel in the recent advances in design, manufacturing and management disciplines.
10. To assist the industry in the selection of suitable candidates to fill up jobs positions through campus interviews and other selection procedures.

Activities of IIC

Joint research & consultancy

The IIC plays a key role in bringing together government agencies, universities, industry faculty and students resulting in major contributions to design and development of the implementation of ICT in the country and across the world. The consultancy service facilitates, coordinates and administers sponsored and consultancy projects. It also identifies and protects IP rights and manages transfer of technology and commercialization

Arrangements of Workshop / Internship / placement

Organize Lectures, Interactive Workshops, Conferences, Seminars, Brain Storming Sessions, Technical Discussions, Consultancy Sessions, Training, Orientation Courses, Meetings, Visits etc. involving members of the Industry, outside experts, eminent personalities, faculty and students of the Institute. Arranging Industrial experts to participate all the Board of Studies (BoS) and Academic Council for designing curriculum

Advisory Board

Key industry members are part of the institute's advisory board. They help the institute understand the current trends and needs of the industry.

Alumni programme

Over 1500 of the institute's alumni are working in leading firms and many are successful entrepreneurs. We connect with them through research collaborations, lectures by distinguished achievers, mentorship activities, knowledge sharing sessions with current students, etc.

Dr Vishal Pratap Yadav
Director
